

# A camp ministry dedicated to changing lives!

December 2018

## The Home!

Ephesians 6:10 says, “Finally, my brethren, be strong in the Lord, and in the power of his might.” What a wonderful opportunity the Lord has given us here at The Edge.

It has been six months since we began here in Surry, Virginia. The Lord has continued to bless and things are going well. In June, we began our journey here for the Lord. Even though we did not get through all the closing on the property until August 6<sup>th</sup>, we were blessed to have the chance to dig in and get started. There are several groups that have been coming and renting the property for many years. These groups have been a huge blessing to The Edge financially. Although this was never the vision of The Edge, we believe God has opened this door for us to have the ability to purchase this camp and it has opened many doors to meet new people and share our story. It is amazing how the Lord works in ways that we could never imagine. We have visited several churches and have had the opportunity to share the ministry in many of them. In October, we attended our second Southwide conference meeting in Tennessee where we were blessed by preaching, fellowship, and sharing the ministry. One thing that the Lord spoke to my heart about this year at Southwide was a phrase that A.W. Tozer stated: “God is looking for those with whom He can do the impossible. What a pity that we plan only the things that we can do by ourselves”. What a powerful message to come home with! As we continue on this journey planning, scheduling, and preparing, we look forward to new opportunities to share the gospel of Christ here at The Edge. Thank you for your support through prayer and finances during this time!

## The Plans!

We will be attending our second CORE conference in January which will give us a chance to share the ministry to several more pastors and evangelists while being filling with God’s Word. During this time, we are preparing for our family camp and couples retreat in April, as well as our first ever three weeks of summer camp in June and July. We are excited to announce that our camp calendar for 2019 is just about full from January to December and we have already begun to schedule meetings and retreats in 2020 with a few in 2021. Additionally, we are hoping to get a few activities built on the property for summer camp. Many of you have come and been a part of the work that is going on here and we are very thankful for your support. We are also excited to announce that we have been given a waterslide for the camp pool. This is a wonderful gift that we are praying about getting installed soon. As we draw near to the end of 2018, we are traveling to several colleges to recruit summer staff for 2019. We are truly amazed by what God is doing here and we want you to be a part of The Edge ministry. There are 50 million children in the USA that do not attend church and we want to do our part in following the Lord’s call in reaching those with the gospel of Christ. May we be faithful and give God all the glory!
